

Why Amanda is #1

My name is Jonah Hamby, and I live at 11199 Whitewood Dr. in Newbury, Ohio. I'm writing because I think my dog, Amanda is the #1 dog. Amanda is almost 2 years old. Amanda is a papillon, and these are the reasons why she's #1 to me.

Amanda is not a normal dog. Amanda barks at the door whenever she hears it or sees something like our pygmy goats. She has 5 moods. Her sleepy mood she will lay on our laps and sleep. Her crazy mood she'll bite either her toy or our legs of our pants. Her mad mood she'll bark nonstop until whatever she's barking at goes away! Her joyful mood she'll roll on her back so we can give her a belly-rub. Her sweet mood she'll beg and whine like when we're eating a meal. She is a gorgeous dog. She has brown spots, and has a white fluffy tail that always sticks up.
