Kate,

The caroling is a court activity for our community outreach program. Many of the people that we serve through the Probate Court are in these facilities. This is an event that we plan to do annually and we already have some caroling events scheduled around Christmas 2020.

Thank you

Subject: Possible Personal Political Campaign Expense

Hi Patty,

We are returning the attached voucher to the court. For our Office to process the attached travel reimbursement request from a Juvenile Court employee--which requests reimbursement for transportation between multiple caroling events at area nursing homes that Judge Grendell used for campaign purposes on his personal political campaign's Facebook page, see attached—please provide us with Judge Grendell's additional explicit affirmation that said events, despite his use of them for his personal political campaign, were actually official Geauga County Juvenile Probate Court events with a public purpose beyond campaigning.

Best,
