

**TAX YEAR 2023 LEVY CHANGES  
(2024 Collection Year)**

The following illustrates levy changes in Geauga County's 33 Taxing Districts  
Change per \$100,000 is only reflective of millage changes due to levies listed below

\* Non-Qualifying Levy (10% and 2.5% Rollbacks do not apply)

Please note that this is a general indication of levy changes. Increases/Decreases may differ due to changes in your individual property's value (especially due to the Sexennial Reappraisal) and any other reductions you may qualify for.

Expect increases due to these school districts being at the 20 mill Floor. The effect of House Bill 920 is lessened.

Expect increases as these school districts have a Home County other than Geauga. Those counties did not have a Reappraisal and therefore Effective Tax Rates did not significantly drop due to House Bill 920.
